A message to Fair Participants.

The SLV Fairboard has worked to try to make Fair as smooth and safe as possible. However, because of the unusual circumstances, fair will look different this year.

Please keep this in mind and carefully read the schedule and rules closely for each project. Many rules in this book (highlighted green) will only be for the 2020 fair.

If you have any questions please contact your Superintendent or a member of the Fairboard. We are happy to help.

We look forward to seeing all the projects and having a fun positive Fair!

FAIR POLICIES

1. The San Luis Valley Fair is an educational activity created to evaluate each participant's progress and accomplishments through interview judging, showmanship, preparation of educational displays, demonstrations, etc. The Fair is also a venue for promoting new recommendations and practices in agriculture, home economics, natural resources and youth programs.
2. The San Luis Valley Fair Board, composed of appointed representatives from Alamosa, Conejos, Costilla, Mineral, Rio Grande, and Saguache Counties, coordinate the Fair. The members of the San Luis Valley Fair Board determine policies, approve expenditures, develop a Fair program, and provide awards for exhibitors. The Fair is held in cooperation with the local Colorado State University Extension 4-H program, and San Luis Valley FFA programs.
3. A 4-H/FFA exhibitor or other individual may use a "protest" to review enforcement of the rules, regulations, policies, and judging procedures printed in this book. All protests shall be considered by a quorum of the San Luis Valley Fair Board. Protests must be in writing and accompanied by a fee of \$150 in cash or certified check. The protest shall plainly state the cause of the protest and shall be delivered to a San Luis Valley Fair Board member no later than 8 (eight) hours after occurrence of the alleged incident. Compliance with this policy is mandatory prior to seeking review. Judging will not be interrupted by a protest. The fee imposed shall be refunded if the matter is resolved in favor of the person bringing the protest. The decision of the Fair Board is final.
4. All reimbursements in connection with the 2020 San Luis Valley Fair must be presented to the San Luis Valley Fair Board before October 8, 2020, or will be void.
5. The San Luis Valley Fair Board and staff will use reasonable diligence to ensure safety of exhibits after their arrival and placement, but in no case will they be responsible for any loss or damage done to, occasioned by, or arising from any animal or article on exhibit. The exhibitors shall indemnify the San Luis Valley Fair Board and staff of all legal or other proceedings in regard thereto. The placing of any exhibit on the show grounds by any and all exhibitors shall signify the exhibitor's agreement to abide by this policy.
6. The San Luis Valley Fair does not discriminate on the basis of race, color, sex, religion, age, disability, sexual preference, veteran or marital status, or national origin in its policies or activities.
7. The mention of any company or association is made with the understanding that no discrimination is intended and no endorsement implied.
8. Possession of alcohol, illegal substances, firearms, or illegal weapons is forbidden during Fair activities. Any violation of this policy shall be grounds for expulsion from the Fair and ejection from the premises.
9. The San Luis Valley Fair Board has the final and absolute opportunity to determine if any person has violated any of the rules, regulations, and policies printed in this SLV Fair Book and to settle and determine all matters, questions or differences arising out of, connected with, or incident to a violation of these rules, regulations, and policies. Any person who violates any of these rules, regulations, or policies may be subject to forfeiture of all privileges, awards, and premiums and to such other penalty deemed appropriate by the Fair Board.

2020 FAIR ENTRIES AND PAYMENTS MUST BE POSTMARKED AND/OR RECEIVED NO LATER THAN JULY 17, 2020. ANY ENTRY RECEIVED OR POSTMARKED JULY 18, 2020 THROUGH JULY 20, 2020 WILL BE SUBJECTED TO A \$50 LATE FEE PER EXHIBITOR. NO ENTRIES WILL BE ACCEPTED AFTER THIS DATE. NO EXCEPTIONS.

4-H General Exhibit Regulations

All exhibitors are expected to help with set up on Saturday, August 4 beginning at 8:00 am and tear down/clean up on Saturday, August 11 beginning at 8:00 am.

1. All Home Ec. & General 4-H projects will be checked in on Monday, August 3 from 8:00 to 11:00 am. All exhibitors will report to the designated Superintendent for each department. Signs will be posted indicating where projects may be checked in.
 - a. Interview judging begins at 9:00 am on Monday, August 3. Upon check in, the exhibitor will be given an estimated time of interview from the Superintendent. Generally, interview slots are given on a first-come, first-served basis, but preference will be given to kids participating in concurrent shows.
 - b. Interview judging is an evaluation technique designed to provide the 4-H member an opportunity to discuss with the judge(s) achievements accomplished, improvements needed, and plans for advancement in the project. Participating in the interview process is optional. The choice to participate in the interview judging will not affect the final exhibit placing.
2. Eligibility: Exhibitors in the divisions of this department must be bona fide members of Colorado 4-H whose project work (must be the 4-H member's own work and sources must be cited; plagiarism will not be tolerated) and records are certified and up-to-date and deemed eligible by the appropriate Extension Agent. In addition, exhibitors must be at least eight years of age, must not have reached their 19th birthday as of December 31 of the current enrollment year and must satisfy other eligibility requirements (if specified) for a class, to compete in that class.
3. Review specific exhibit requirements in the Colorado State Fair Exhibit Requirements document, available on the Colorado 4-H website at: <http://co4h.colostate.edu/program-areas/state-fair-information>
4. 4-H members may enter only once in the same class.

5. Members must be enrolled in the project (these projects may be broken down into units, level or categories) in which they exhibit.
6. A completed record book must accompany all exhibited 4-H projects; no record book will result in a disqualification.
7. 4-H e-Records may be completed by pencil, ink or computer. The choice will not affect judging. Each exhibit requires a sturdy binder. Do not use record book binders that are clear plastic with sliders.
8. All parts of the exhibits must be accompanied by a completed label containing the Name, Age, Project, Unit and County of the exhibitor. For security reasons, do not list the member address on projects.
9. Display boards must meet the specifications. The standardized display board size of 4 ft x 3 ft is to be used for 4-H projects.
10. Most projects are divided by Junior, Intermediate and Senior age groups. The age for Juniors is 8-10, Intermediates is 11-13, and Seniors is 14-18. All ages are determined as of December 31 of the current enrollment year.
11. All exhibits must be displayed and remain on display for the duration of the fair. Any and all exhibits that are removed prior to release on Saturday, August 8 will forfeit all awards.
12. Any exhibit released for Fashion Revue must be returned for display on the same day.
13. The management will not be responsible for loss or damage to exhibits, though it will use all care to ensure their safety.
14. Any exhibitor selected to compete at the Colorado State Fair must have their food and/or cake exhibits to the SLV Extension Office on Tuesday, August 12, 2020 no later than noon. All other indoor projects selected to go to State Fair will be taken by the Extension Staff on Saturday, August 8 to transport to State Fair.

Fair Judging/Ribbon Awards

1. 4-H projects are judged by the Danish Ribbon system. Based upon the following quality and standards, each exhibit is awarded a Blue, Red or White award ribbon:
 - a. **Blue:** Exhibit meets exhibit requirements and is of high quality.
 - b. **Red:** Exhibit meets exhibit requirements and is of average quality.
 - c. **White:** Exhibit does not meet all exhibit requirements and/or is below average quality (needs improvement).
2. After Blue, Red and White ribbons are awarded, the American System will be used to rank the 4-H exhibits within classes, units and divisions. This system uses product standards and fulfillment of exhibit requirements to rank exhibits. It also uses the idea of competition among exhibitors to establish ranking.
3. The judge(s) will indicate which exhibit is the top blue in each class in each County, if merited. This is the exhibit designated for State Fair.
4. Each Unit may award one Unit Champion and one Unit Reserve Champion, if merited.
5. Only Blue award exhibits will be considered for Champion and Reserve Champion ribbons.
6. Only Unit Champion or Unit Reserve Champion exhibits will be considered for Division Champion and Division Reserve Champion.
7. Exhibits that do not meet exhibit standards and requirements will not be considered for Champion, Reserve Champion or Blue ribbons.

Violation of this shall subject such individual to disciplinary action. The application of these rules provides for absolute responsibility of an animal's condition to the 4-H/FFA exhibitor whether or not he/she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of these rules.
9. Exhibitors of animals at the SLV Fair shall at all times comport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. Any animal deemed neglected will not be eligible for exhibition or the sale.
22. No parents or leaders are allowed in the show ring unless the Superintendent approves them.

27. Animals shall be presented at the SLV Fair where they will enter the food chain free of volatile drug residues. The act of entering an animal in the SLV Fair is the giving of consent by the 4-H/FFA exhibitor to the SLV Fair Board to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor or absolutely responsible person to prove otherwise.
28. If any animal, exhibitor, or individual is being a danger to themselves or others, the SLV Fair Board and/or the Superintendent may disqualify the animal, exhibitor, or individual and take other appropriate action for the wellbeing and safety of all SLV Fair participants.

All questions or comments must be directed to species Superintendents.
37. All entries are also subject to specific species regulations printed in this book.
38. All livestock project exhibitors are required to complete a record book to complete their project. They must submit completed record books to the Extension office by Friday, September 21, and score a minimum of 70% on them to be eligible to enroll in that project the following year. Youth who do not turn in their record book, or meet the minimum score requirement, will not be allowed to enroll in that project or compete in the fair in that area in the 2020-2021 4-H year.

39. All livestock exhibitors are required to wear appropriate show attire when competing. Shorts, tank tops, low-cut shirts, shear blouses, flip flops, t-shirts, shirts with inappropriate messages or logos, ball caps, hats, or bare midriffs are not acceptable attire and may not be worn during a show event. Recommended dress is as follows: long or short-sleeved, button-down shirt or blouse, clean jeans or slacks with belt. Hard soled, closed-toed shoes or boots are recommended to protect feet. Rabbit and Chickens: jeans or slacks and long-sleeved shirts are preferred for safety. Dairy Cattle and Dairy Goats: white shirts and pants are recommended. The Fair Board or superintendents may refuse anyone improperly dressed entry into the show ring until said exhibitor is properly dressed.
- 40. Drenching will be allowed for cattle, sheep, and goats for hydration purposes only. An animal may only be drenched by the exhibitor or his/her parent/guardian. Drenching may not occur on the fairgrounds until after weigh in and a Superintendent and/or Fair Board Member must be present at the time. Before any animal may be drenched by the exhibitor or the parent/guardian, a waiver must be signed and on file in the fair board office. The waiver releases the fair board of all liability to the animal that is being drenched. The animal's identification tag must also be on file.**
41. Abuse of an animal in any form will not be allowed. Electric prods will not be allowed at any time. Any violation of this rule will result in immediate disqualification with no recourse.
42. The San Luis Valley Fair Board expects all individuals to practice ethical and humane treatment of animals consistent with accepted animal husbandry practices. The following are termed "unethical practices":
1. Surgical procedures, drugging, tubing, or injecting (any oil, glycerin or like substance) which could affect the animal's performance or alter its natural contour, conformation, or appearance
 2. Striking animals to cause swelling, using electrical contrivance, or other similar practices
 3. Altering, changing, defacing or modifying of the markings and the anatomical structure of an animal
 4. External applications of such things as liniments and blistering agents (irritant, counterirritant, or similar substance) that would cause an edematous condition.
 5. Use of ice packs or other refrigerants to alter the quality of the finish of an animal.
43. The following practices are NOT ALLOWED:
1. Towels immersed in ice water; wet towels only will be acceptable.
 2. Altering of color structure of hair or wool coat in any way except for trimming or blocking. Any grooming material on an animal when rubbed with a cloth or glove, which shows evidence of artificial color - this does not apply to hoof dressing on hooves.
 3. Adding an artificial tail head or tail fin, artificial poll, or adding any hair or hair like substance.
 4. Removal, alteration, changing, or purposely damaging ear tags.
 5. Decorating animals with any unnecessary trappings during the judging.
44. In cases where unethical fitting or other unethical practices appear to have been attempted, the SLV Fair Board may appoint a veterinarian, official, or committee to inspect the entry. The Fair Board will follow a course of action based upon the findings and conclusions of the examining veterinarian, official, or committee.

Any exhibitor/individual found guilty of any of the above listed or any other practice deemed unethical by the San Luis Valley Fair Board may be subject to forfeiture of all privileges, awards, and premiums and to such other penalty deemed appropriate by the Fair Board, or may be subject to prosecution under CRS 18-9-207 Tampering or Drugging Livestock.

ALL DECISIONS OF THE SLV FAIR BOARD, SUPERINTENDENTS, OR JUDGES ARE FINAL.

An official photo must be taken of the animal you plan to sell. Seller may pick up the Buyer Thank You Photo and Buyer's Thank You Received Form beginning on approximately August 27, 2020 at the Extension office. Take this photo, and any other thank you gift you choose, to your buyer and have the buyer sign the Buyer's Thank You Received form. Then you are responsible for getting the form to the Fair Board by October 9, 2020 or you will not sell in 2021.

Dog Regulations

1. Refer to 2020 Colorado State Fair 4-H Contest Requirements for Dog Trials pages 13-24.
2. If a member's dog does not receive a Rabies inoculation as required by the State of Colorado or a Parvo Virus shot as required by Fair Officials for all 4-H Dog Project participants, a certificate from the member's veterinarian stating the reason for these shots not being given must accompany the Dog ID.
3. Dogs must be on a leash at all times except when performing exercises off leash in the show ring.
4. Additional vaccinations may be required when necessary.
5. 4-H Dog Show officials and/or staff can and will dismiss any entrant or his/her family from the show for any mistreatment of dogs entered in this show. If a question should arise as to what constitutes "mistreatment," 4-H staff and/or officials will meet to decide appropriate action in each case.
6. Any negative behavior on the part of the exhibitor, family members or leaders directed toward any official or judge will result in disqualification and awards forfeited. If there is a question as to the rules or the judging of a class, adult family members or leaders must approach the Superintendent and not the judge. The Superintendent will then take the question to the judge(s) if warranted.
7. Dogs which are deemed to be a danger to people or other dogs can and will be removed from the show grounds and all classes forfeited. This will be determined by the Superintendent.
8. Protests must be submitted in writing and presented to the Superintendent within 24 hours after judging is announced. Protests will be handled by the Fair board.
9. All entrants will be responsible for cleaning up after their dogs. Failure to do so can be a basis for dismissal from the 4-H Dog Show and/or forfeiture of any placing.
10. Show management will have final decision authority. If needed, show management may request assistance with arbitration from a committee comprised of the superintendent, the judge(s) (if willing), and the leader and/or agent from the county involved (if present).
1. The Colorado State 4-H Dress Code is to be followed by all 4-H members, as well as adult leaders, advisors, and chaperones at all Colorado State 4-H sponsored events. Please check out the Colorado State 4-H Dress Code at: www.colorado4h.org. In addition to the State Dress Code please adhere to the 4-H Dog Handlers Dress Code. **For more detailed information check out the Dog Resource Handbook.**
2. No dogs are allowed beyond the immediate vicinity of the Indoor building.
3. Entrants will pick up their armbands the day of the show. Each exhibitor will have the same armband number for all dogs he/she is exhibiting.
4. No set-up will be allowed anywhere near the rings. Allowable set-up areas will be designated and no one will be allowed to set up in any other areas. Spectators must stay at least ten feet from the ring.
5. Dog project members must complete record books prior to the fair. Record books are due by 4:30 pm on Monday, July 27, 2020 at the CSU Extension Office in Monte Vista. Record books will be scored prior to the show and these scores will be used in calculations for the Supreme award.

The general age groups for Dog Project are:

1. Junior 8-10 years
2. Intermediate 11-13 years
3. Senior 14-18 years

Age is determined by the member's age as of December 31, 2020.

EXHIBITOR ELIGIBILITY RULES:

1. Member must be enrolled in the 4-H Dog Project.
2. All exhibitors must have complied with each county's eligibility requirements.
3. The member must own his/her project dog individually or partnership with immediate family members or guardians during the complete duration of the project year. The member must provide the majority of care for the dog(s). Entrants will be encouraged to use the Animal Care and Housing Form for Colorado 4-H Livestock Projects.
4. To qualify for State Fair exhibitors must achieve at least one qualifying score in each class of exhibition. Qualifying scores are 170 and above in Obedience and Showmanship and 70 and above in Rally. An acceptable record book must also be done and meet all guidelines required by the county.
5. Each exhibitor may exhibit a different dog in obedience, showmanship, and rally provided they meet qualifications (refer to rule 3). A member may be entered in multiple Obedience or Rally classes with different dogs, but each member may only enter Showmanship once.

DOG ELIGIBILITY RULES:

1. All dogs must have a Dog ID form on file with the CSU Extension Office by May 1, 2020. This form is to be completed electronically thru the 4HOnline system.
2. After once earning a qualifying score in competition as a 4- H project dog in Obedience or Rally, that same dog is no longer eligible for exhibition in that same division at any following fair except Grad Novice, Open, Grad Open and Utility Obedience classes and Rally Advanced-Excellent class.
3. A dog with any other rally or obedience title from any national dog association (AKC, UKC, CKC, ASCA etc.) is disqualified from entering the class for which the degree was awarded, or any lower class, except if that title was won less than four months before the fair. If the title was won less than four months before the 4-H State Dog Trial the dog is eligible for entry in the same class. Rule 2, above, takes precedence over this rule.
4. Bitches that are in heat, obviously pregnant, or lactating will not be allowed to compete in any classes.
5. Dogs in obvious pain from a previous illness or injury shall not be shown. If a dog is injured at a show, that dog will be excused from the ring. Consideration of a dog's physical disability needs to be addressed between the handler and project leader before starting the project. An approved veterinarian or qualified veterinarian technician's decision on doubtful cases will be accepted as final.
6. Dates of approved current and effective vaccination of the dog for rabies and parvo-virus must be provided on the entry form. Each entrant is also required to enter this info into the state Dog ID electronically on the 4HOnline system and have it submitted by May 1, 2020.
7. If the qualified dog in Showmanship is injured or in season, a replacement may be used at the approval of the Superintendent. The replacement dog must fulfill all of the "dog eligibility requirements", must be carried in the member's record book, and must have a health certificate on file with the county office.
