

SAN LUIS VALLEY FAIR SUPERINTENDENT GUIDELINES

1. Extensive involvement of all superintendents is critical throughout the Fair, the first week in August, in order for all events and shows to be conducted in an organized and timely manner. This includes barn set up day, weigh in/check in for your species – as long as needed, show day and check out day.
2. Special superintendent meetings shall be held throughout the year these meetings are required for fair superintendents.
3. Each species has its initial weigh in/check in, these will be coordinated with the San Luis Valley Extension and are mandatory for the species superintendents.
